

BOARD OF SUPERVISORS
TOWNSHIP OF WILLIAMS
NORTHAMPTON COUNTY, PENNSYLVANIA

RECYCLING PROGRAM

ORDINANCE NO. 2003- 1

AN ORDINANCE OF THE TOWNSHIP OF WILLIAMS, A SECOND CLASS TOWNSHIP, IN THE COUNTY OF NORTHAMPTON AND COMMONWEALTH OF PENNSYLVANIA, PROVIDING FOR A MANDATORY RECYCLING PROGRAM AND GOVERNING THE COLLECTION, STORAGE, TRANSPORTATION, PROCESSING AND DISPOSAL OF MUNICIPAL SOLID WASTE, IN THE TOWNSHIP OF WILLIAMS, NORTHAMPTON COUNTY, PENNSYLVANIA.

This Ordinance shall be known and cited as the Williams Township Recycling Ordinance.

NOW THEREFORE, BE IT ENACTED AND ORDAINED BY THE Board of Supervisors of Williams Township, Northampton County, Pennsylvania, after Public Hearing and in accordance with the general powers permitted by the Second Class Township Code (53 P.S. §65101 et seq.), as follows:

PART I – GENERAL

1. SCOPE

This Ordinance shall provide a mandatory recycling program and govern all aspects of the collection, storage, transportation, processing, and disposal of municipal solid waste, in Williams Township. It contains regulations applicable to haulers of municipal waste, collectors of recyclables, individuals, commercial, municipal, and institutional establishments, and community activities.

2. PURPOSE

An Ordinance to establish a program for the mandatory source separation and separate collection of designated recyclable materials from residences and properties receiving municipal waste collection services from or on behalf of the Township of Williams, for recycling purposes; to prohibit the disposal of designated recyclable

materials into the conventional municipal waste disposal system; to empower the Township to promulgate and adopt reasonable rules and regulations, therefore, and to fix penalties for violation thereof of this Ordinance.

3. DEFINITIONS

As used in this Ordinance, the following terms shall have the meanings indicated:

- A. "Agent" – One who performs an act for his immediate family or for another person gratuitously (without any form of monetary or material compensation therefore.)
- B. "Aluminum Cans" – empty, all-aluminum beverage and food containers.
- C. "Applicant" – a person desirous of being licensed as a hauler or of being issued a recyclable collection permit, as the case may be.
- D. "Authorized Collector" – a licensed hauler (as defined herein); a recyclable collection permittee (as defined herein); or a person who, being so authorized by the terms of this Ordinance, removes municipal waste or recyclables from his own premises, as owner of the building or commercial, municipal or institutional establishment or community activity conducted therein, or as an agent (as defined herein) of another person.
- E. "Bi-metallic cans" – empty food or beverage containers consisting of both steel and aluminum.
- F. "Collector" – any person who collects municipal waste or recyclables, excluding nonprofit organizations or associations, approved by the Board of Supervisors of Williams Township, and the Municipal Corporation of Williams Township.
- G. "Commercial" – of or pertaining to any wholesale, retail, industrial, manufacturing, transportation, or financial or professional service or office enterprise, business, or establishment.
- H. "Commingled Recyclables" – Recyclables mingled or blended together placed in the same container.
- I. "Community Activity" – an activity or event sponsored or organized by a public or private nonprofit organization for recreational, educational, cultural, or civic purposes, which may be attended by members of the public, whether or not an entrance or participation fee is charged

608054

therefore.

- J. "Composting" – The process of the biological decomposition of organic solid waste is biologically decomposed under controlled anaerobic or aerobic conditions of yield a humus-like product.
- K. "Corrugated Paper" – structural paper material with an inner core shaped in rigid parallel furrows and ridges, of the type normally used to make packaging cartons and boxes.
- L. "Curbside Collection" – a method of collection of residentially generated recyclables by which the owners or occupants of certain residential properties may dispose of their recyclables by placing them at curbside at times designated by the licensed haulers, for collection and removal by an authorized collector thereof for delivery to a recycling center.
- M. "Disposal" – the incineration, deposition, injection, dumping, spilling, leaking, or placing of municipal waste into or on the land or water in a manner such that the municipal waste or a constituent, thereof enters the environment, is emitted into the air, or is discharged to the waters of the Commonwealth of Pennsylvania.
- N. "Disposal Area" – any site, location, area, building, structure, transfer station, or premises to be used for municipal waste disposal.
- O. "Garbage" – all putrescible animal and vegetable matter resulting from the handling, preparation, cooking, and consumption of food.
- P. "Glass Containers" - all empty food and beverage jars or bottles, the product being transparent or" translucent (either clear, green or brown).
- Q. "Hauler" - any authorized collector.
- R. "Institutional" - of or pertaining to any establishment engaged in service to persons including, but not limited to, hospitals, group homes, nursing homes, schools, universities, churches, and social or fraternal societies and organizations.
- S. "Landlord" - the owner of residential property, or such owner's authorized agent.
- T. "Leaf Waste" - leaves, garden residues, shrubbery and tree trimmings, and similar" material, but not including grass clippings.
- U. "Licensed hauler" - a person licensed by Williams Township to

collect, haul, transport, municipal waste and recyclables for the purpose of disposal.

- V. "Magazines" - printed matter, also known as "periodicals", containing miscellaneous written pieces published at fixed or varying intervals, printed on glossy or chemically coated paper. Expressly excluded are newspapers and all other paper products of any nature whatsoever.
- W. "Multi-Family Dwelling" - a type of residential property either under single ownership or organized as a condominium or cooperative form of housing, which contains four or more dwelling units.
- X. "Municipal" - of or pertaining to any office or other property under the control of any branch or arm of the federal government of the United States of America, the Commonwealth of Pennsylvania, or any political subdivision of the Commonwealth of Pennsylvania including, but not limited to Williams Township, any counties, cities, boroughs, townships, and municipal authorities.
- Y. "Municipal Waste" - Any garbage, refuse, industrial, lunchroom or office waste and other material, including solid, liquid, semi-solid, or contained gaseous material, resulting from the operation of residential, municipal, commercial or institutional establishments or from community activities and which are not classified as residual or hazardous waste. The term does not include source-separated recyclable materials.
- Z. "Municipal Waste Landfill" - Any facility that is designed, operated or maintained for the disposal of municipal waste, whether or not such facility possesses a permit from the department under the Solid Waste Management Act. The term shall not include any facility that is used exclusively for disposal of construction/demolition waste or sludge from sewage treatment plants or water supply treatment plants.
- AA. "Newspaper" - paper of the type commonly referred to as "newsprint" and distributed at fixed or stated intervals, usually daily or weekly, having printed thereon news and opinions and containing advertisements and other matters of public interest. The term "newspaper" expressly excludes, glossy advertising inserts, magazines, glossy or other chemically coated paper, office paper, any other paper products of any nature.
- BB. "Person" - any individual, partnership, corporation, association, institutions, cooperative enterprise, municipality, municipal authority, federal government or agency, state institution or agency, or any other

legal entity whatsoever which is recognized by law as the subject of rights and duties. In any provisions of this ordinance prescribing a fine, imprisonment or penalty, or any combination of the foregoing, the term "person" shall include the officers and directors of any corporation or other legal entity having officers and directors.

- CC. "Plastic Containers" - empty plastic food and beverage containers, the specific types of which are PET [1] (e.g., soft drink bottles) and HDPE [2] (e.g., milk and water jugs-, detergent and shampoo bottles) be designated by resolution of the Williams Township Supervisors.
- DD. "Recyclable Collection Permittee" - a person authorized by the Township, through the issuance of a permit to collect, transport, and dispose of recyclables exclusively (and not municipal waste) for persons other than himself, his immediate family, or persons whom he is acting as an-agent (as defined herein), excluding a nonprofit organization or association approved by the Williams Township Board of Supervisors.
- EE. "Recyclables" - materials designated as recyclable in this Ordinance, or required by the terms of this Ordinance (or any amendment hereto) to be kept separate from municipal waste and recycled.
- FF. "Recycling" - the separation, collection, processing, recovery, and sale or re-use of metals, glass, paper, plastics and other materials which would otherwise be disposed of as municipal waste.
- GG. "Recycling Facility" - A facility employing a technology that is a process that separates or classifies municipal waste and creates or recovers reusable materials that can be sold to or reused by a manufacturer as a substitute for or a supplement to virgin raw materials. The term "recycling facility" shall not mean transfer stations or landfills for solid waste nor composting facilities or resource recovery facilities. The term does not include:
- (1) any composting facility.
 - (2) methane gas extraction from a municipal waste landfill.
 - (3) any separation and collection center, drop-off point or collection center for recycling, or any source separation or collection center for composting leaf waste.
 - (4) any facility, including all units in the facility with a total processing capacity of less than 50 tons per day.

- HH. "Residential" - of or pertaining to any dwelling unit used as a place of human habitation and which is not commercial, municipal, institutional, or a community activity. Home occupations incidental to be residential use within a building are considered "residential".
- II. "Resource Recovery Facility" - a processing facility that provides for the extraction and utilization of materials or energy from municipal waste that is generated off site, including, but not limited to, a facility that mechanically extracts materials from municipal waste, a combustion facility that converts the organic fraction of municipal waste to useable energy, and any chemical and biological process that converts municipal waste into a fuel product. The term also includes any facility for the combustion of municipal waste that is generated off site, whether or not the facility is operated to recover energy.
- The term does not include:
- (1) any composting facility.
 - (2) methane gas extraction from a municipal waste landfill.
 - (3) any separation and collection center, drop-off point or collection center for recycling, or any source separation or collection center for composting leaf waste.
 - (4) any facility, including all units in the facility with a total processing capacity of less than 50 tons per day.
- JJ. "Rubbish" - shall mean solid waste exclusive of garbage (e.g., non-recyclable glass, metal, paper or plastic) and non-compostable plant material, wood, or non-putrescible solid waste.
- KK. "Steel Cans" - empty food or beverage containers made of steel, tin-coated steel, or other ferrous metal food or beverage containers.
- LL. "Storage" - the containment of any municipal waste on a temporary basis in such a manner as not to constitute disposal of such municipal waste. It shall be presumed that the containment of any municipal waste in excess of one month constitutes disposal. This presumption can only be overcome by clear convincing evidence to the contrary.
- MM. "Township" - Williams Township, Northampton County, Pennsylvania.
- NN. "Transportation" - the off-site removal of any municipal waste at any time after generation thereof.

- OO. "Waste" - A material whose original purpose has been completed and which is directed to a disposal or processing- facility or is otherwise disposed of. The term does not include source-separated recyclable materials or material approved by the Commonwealth of Pennsylvania Department of Environmental Resources for beneficial use.

4. DUMPING/LITTER

It shall be unlawful for any person to store, dump, discard, or deposit, or to permit the storage, dumping, discarding, or depositing of, any municipal waste or recyclables upon the surface of the ground or underground within the Township, except in proper containers for purposes of storage or collection, and except where the waste or recyclables are of such size or shape as not to permit their being placed in such containers. It shall be unlawful for any person to dump or deposit any municipal waste or recyclables in any stream, body of water or on any public right-of-way within the Township.

Every owner of property or occupant thereof responsible for such property' a day-to-day operation or maintenance shall pick up and discard in any appropriate receptacle any municipal waste, recyclables, or other debris deposited or accumulated on the sidewalk or gutter in front of or adjacent to such property. All owners or operators of commercial, industrial, institutional and municipal establishments in the Township shall take all reasonable precautions to prevent the deposit and accumulation of debris in front of their premises, and in furtherance of that end, may place appropriate waste containers on the sidewalks in front of or adjacent to their premises at a point which will not create a hazard to traffic or pedestrians. Any such receptacles so placed shall be emptied on a regular basis and maintained in a neat and clean appearance.

Nothing contained herein shall prohibit a fanner from carrying out the normal activities of his fanning operation, including composting and spreading of manure or other farm-produced agricultural waste, provided such activities are conducted in accordance with all applicable law, rules and regulations.

Bulk containers shall not be permitted to overflow or to have waste strewn or left about them on the ground. A violation of this provision shall be deemed a violation of this Ordinance by the person on whose property the bulk container is located, if it is located on private property.

PART II – RECYCLING

5. SEPARATION OF RECYCLABLES

- A. Recyclables shall be kept separate from and disposed of separately from municipal waste, to the extent required by the following provisions:
1. Owners and occupants of all residential properties shall commingle the following recyclables: clear glass containers, brown glass containers, green glass containers, aluminum, bi-metal cans, and plastic. Newspapers shall be tied or bagged and placed with other recyclables.
 2. Owners and occupants of all commercial, municipal and institutional establishments and properties and sponsors or organizers of community activities shall commingle the following recyclables: clear glass, brown glass, green glass, and aluminum cans. Corrugated paper, and high-grade office paper shall be bundled, tied, bailed or placed in a container, and placed with recyclables.
 3. From time to time the Township Supervisors may by Resolution enumerate alternative and/or additional recyclables which will be required to be separate from municipal waste and collected in accordance with this Ordinance.
 4. This Ordinance shall not impair or prohibit a licensed hauler from collecting recyclables not provided for herein.

6. DISPOSAL OR PLACEMENT FOR REMOVAL OF RECYCLABLES RESIDENTIAL (OTHER THAN MULTI-FAMILY HOUSING PROPERTIES)

- A. For residential properties other than multi-family dwellings, all recyclables which are required to be kept separate from municipal waste in residential properties, shall be placed at curbside or an appropriate location on the premises to be collected at times designated by the licensed hauler or recyclable collection permittee. The frequency of such collection shall be not less than once per month.
- B. The recyclables are to be collected by a licensed hauler once it is placed at curbside.

608054

**7. DISPOSAL OR PLACEMENT FOR REMOVAL OF RECYCLABLES
MULTI-FAMILY HOUSING PROPERTIES**

For multi-family dwellings, all recyclables which are required to be kept separate from municipal waste in residential properties, shall be picked up by a recyclable collection permittee or a licensed hauler separately from municipal waste, in a pre-arranged manner. If any recyclables are picked up by a recyclable collection permittee, then all recyclables generated at the property shall be made available to such recyclable collection permittee for collection except as provided in Section 24 below.

The landlord or Board of Directors of every multi-family dwelling shall require, by a clause in the lease or other enforceable rule or regulation, that the tenants in such property comply - with the requirements' of this Ordinance governing separation and disposal or placement for removal of recyclables in multi-family dwellings. Every such landlord shall set up a convenient and practical collection system in such properties for the collection, storage and regular disposal or placement for removal of recyclables generated by the residents of such properties.

The collection system must include suitable containers for collection and sorting materials, easily accessible locations for the containers and written instructions to the occupants concerning the use and availability of the collection system.

Owners, landlords and agents of owners or landlords who comply with the aforementioned requirements relative to multi-family dwellings shall not be liable for the noncompliance of occupants of their building.

**8. DISPOSAL OR PLACEMENT FOR REMOVAL OF" RECYCLABLES
COMMERCIAL, MUNICIPAL AND INSTITUTIONAL AND
COMMUNITY ACTIVITIES**

All recyclables which are required to be kept separate from municipal waste, in commercial, municipal, and institutional establishments and properties and community activities shall either be delivered directly to a recycling center, or shall be picked up by a recyclable collection permittee or licensed hauler separately from municipal waste, in a pre-arranged manner. If any recyclables are picked up by a recyclable collection permittee, then all recyclables generated at the property shall be made available to such recyclable collection permittee for collection except as provided in Section 25. Commercial, municipal, and institutional establishments and community activities shall not place recyclables within the public right-of-way for curbside collection, such curbside collection being intended solely for the placement of recyclables generated in residential properties other than multi-family housing properties.

9. RECYCLING REPORTS

- A. The hauler shall submit the recycling report and weigh slips obtained from the facility or facilities to which the recyclables were delivered or taken, shall be submitted quarterly to the Township. For purposes of submitting such weigh slips and Recycling Reports quarterly to the Township, the collector who removed the recyclables from the property shall be the agent for the operator of the establishment or sponsor of the activity and shall be responsible for completing and submitting such to the Township. Each such quarterly Recycling Report shall be submitted on or before the last day of the first month of each quarter, for the preceding quarter. Quarters shall run on a calendar-year basis, thus: January through March; April through June; July through September; and October through December.

An approved method of estimation (i.e. percentage) may be used to determine tonnage for recycling reports.

10. COLLECTION BY UNAUTHORIZED PERSON

From the time of placement for collection of residentially generated recyclable items for collection in accordance with the terms of this Ordinance, the items shall be and become the property of the licensed hauler. It shall be a violation of this Ordinance for any person unauthorized by the Township to collect or pick up or cause to be collected or picked up any such items. Any and each such collection in violation hereof from one or more locations shall constitute a separate and distinct offense punishable as hereinafter provided.

11. PRESUMPTION OF OWNERSHIP OF MUNICIPAL WASTE AND RECYCLABLES

The presence of any articles containing a person's name among municipal waste and recyclables shall create a rebuttable presumption, for purposes of this Ordinance, that said municipal waste or recyclables are the property of the person whose name is found therein.

PART III – MUNICIPAL WASTE

12. PREPARATION AND STORAGE OF MUNICIPAL WASTE

Any person accumulating or storing municipal waste on private or public property in the Township for any purpose whatsoever shall place the same, or cause the same to be

placed, in sanitary closed or covered containers in accordance with the following standards:

- A. Containers used for the storage of municipal waste shall be made of metal, plastic or fiberglass construction; rust and corrosion resistant, equipped with lids and waterproof.
- B. No person, except the occupants of the property on which a waste container is placed, an authorized licensed hauler, the Township Zoning Officer, or Recycling Coordinator, shall remove the lids of the container and/or remove the contents thereof.

13. REQUIRED COLLECTION AND HOURS OF COLLECTION

If a person or establishment (being so authorized by the terms hereof) collects and removes their own municipal waste, they shall do so at a minimum of every thirty (30) days or at shorter intervals, in order to prevent odors, vectors or accumulations of refuse or garbage that are unsafe, unsightly, or potentially harmful to the public health. Any municipal waste so removed shall be disposed of in accordance with the requirements of this Ordinance.

No person other than a licensed hauler shall collect or remove municipal waste from any other person's property. All agreements for collection, transportation and disposition of municipal waste shall be by private contract between the owner or occupant of the property where the waste is generated and the licensed hauler who is to collect such waste.

Nothing herein shall limit the right of the Township to implement public collection of solid waste either by entering into contracts or by engaging in any collection practice permitted by law.

Nothing in this section shall modify the requirements in this Ordinance pertaining to separation and disposal of recyclables. Nothing in this section shall impair the ability of the Township to provide a system of placement for removal and public collection of leaf waste, or the Township residents to utilize such system of public collection of leaf waste, anything herein contained to the contrary notwithstanding.

14. TRANSPORTATION OF MUNICIPAL WASTE

Any person transporting municipal waste within the Township shall prevent or remedy any spillage or leakage/prevention of leakage from vehicles or containers used in the transport of such municipal waste.

All persons authorized to collect municipal waste shall do so in vehicles that are provided with either closed, covered containers or which have measures taken to prevent waste from being blown or falling from the vehicle.

The transfer of waste from one collection vehicle to another may not take place in the Township, except on private property in those areas of the Township designated for such by the Township if any. No such transfer may take place on any public right-of-way, and no such transfer operation may block traffic, create litter, or in any other manner constitute a nuisance, create a health hazard, or violate any other Ordinance of the Township or provision of statutory law.

15. PUBLIC LITTER BASKETS

The Township is hereby authorized to collect municipal waste from the Township property, to provide public litter baskets on Township owned properties and to dispose of such waste in either a receptacle of a licensed hauler or at designated disposal sites.

16. BURNING RECYCLABLES

The burning of recyclables is prohibited.

17. AUTHORIZATION OF COLLECTORS

It shall be unlawful for any person, except for litter control, roadside clean up, and other persons duly authorized by the Township to collect and to transport municipal waste or recyclables for persons other than one's self or for whom one is acting as an agent (as defined in this Ordinance) may be given only by the Township through the issuance of a "Hauler's License" or a "Recyclable Collection permit".

All licensed haulers and recyclable collection permittees shall have an affirmative duty to follow and conduct themselves in accordance with their current license or permit, and to service each of their customers in accordance with the requirements of this Ordinance, any failure of which shall be a violation of this Ordinance.

All applications for such licenses or permits shall be evaluated and approved in accordance with the following criteria:

A. Hauler's License:

1. Hauler's Licenses will be issued on a calendar year basis.

2. Hauler's Licenses will be issued to only those persons who comply with the provisions and intent of this Ordinance and show evidence of a valid Northampton County license.
3. Applicants for Hauler's License must furnish the following information on a form to be prescribed and provided therefor by the Township?
 - a. The name, address, and telephone number of the hauler making application.
 - b. A list of all of the applicant's current customers in the Township, upon demand made for same by the Township. This list shall remain the property of the township and be kept confidential.
 - c. Any and all additional information which the Township may request and deem necessary prior to the issuance of a license.
4. The Township may deny a Hauler's License for any of the following reasons:
 - a. If the applicant's license has previously been revoked or suspended.
 - b. If the applicant has violated, or *is* violating the Township Ordinance, County Waste Management Ordinance, the Solid Waste Management Act, the Municipal Waste Planning, Recycling and Waste Reduction Act, or any regulations of the Department of Environmental Resources relating to the environment and to solid waste, or has been convicted of any such violation.
 - c. Where, in the Township or elsewhere, the applicant has failed to fulfill his duties as a municipal waste collector in general, or in particular has failed to pick up municipal waste and recyclables in a workmanlike manner or a regularly scheduled basis.
5. Hauler's Licenses may be revoked at any time by the Township in accordance with the following:
 - a. Failure of the licensee to furnish and provide collection and disposal of municipal waste and recyclables in accordance with the terms of this Ordinance and the conditions under which the license was issued.
 - b. Administrative Proceedings:

- (1) In case violating or failure to comply with the provisions of this section, the Township Supervisors shall give the licensee an opportunity for a hearing thereon. Any licensee so entitled to a hearing pursuant to this section shall have ten (10) days after notice to submit a written request for a hearing, failure of the licensee to so request a hearing shall be deemed to constitute an admission of the violation with which he is charged and which forms the basis of the revocation of his license. A hearing shall be scheduled before the Township Supervisors and the licensee given ten (10) days written notice of the time and place of the hearing at which he shall appear and answer the charge.
- (2) Upon determination that a violation did occur, the Township Supervisors may issue a warning or may revoke the license.
- c. The issuance of a Hauler's License under this section does not grant a vested right to any collector to a continued right to haul or collect municipal waste and recyclables in the Township, and the Township reserves the right to contract for municipal waste and recycling services or to initiate the public collection of municipal waste and/or recyclables.

6. Conditions relating to Hauler's Licenses:

- a. An annual fee shall be paid for a Hauler's License in accordance with a schedule of charges established by resolution of the Township Supervisors. The license fee shall not be proratable. The fee shall be submitted with each application for a license. Payment shall be made by check only, payable to "Williams Township."
- b. Licensees shall have placed on the doors or each side of the body of the vehicle the name of the hauler, the telephone number of the hauler's office or headquarters, and the type of waste being transported therein (or, if recyclables are being transported therein, then such to be indicated). The size of such lettering shall be no less than six (6) inches in height and clearly legible. Vehicles shall be so marked within ten (10) days after the commencement of their use in the Township.
- c. Licensees shall be responsible for the manner in which their employees perform work pertaining to collection, hauling, and disposal of municipal waste and recyclables under the terms of this Ordinance.

- d. The licensee shall pay all costs charged for the use of any disposal facilities which he utilizes.
- e. Licensees shall empty bulk containers (such as dumpsters) which have been provided by them to their customers, when such bulk containers become full.

B. Recyclable Collection Permit:

A person who is not a "licensed hauler" as defined in this Ordinance shall not collect, transport, or dispose of recyclables for any persons other than himself or for whom he is acting as an agent (as defined in this Ordinance) unless he has applied for and obtained a valid Recyclable Collection Permit authorizing such activity. Applications for such permit shall be made by submission to the Township of a form to be prescribed therefor, completed by the applicant, accompanied by a fee for such permit to be set by resolution of the Williams Township Supervisors. Recyclables Collection Permits shall be obtained annually and issued on a calendar year basis.

As a condition of issuance of a Recyclable Collection Permit, all recyclable collection permittees shall be required to take all of the recyclable material which they collect from their customers to a recycling facility.

18. LICENSED HAULERS TO PROVIDE RECYCLABLE REMOVAL SERVICE FOR RESIDENTIAL, MULTI-FAMILY HOUSING, COMMERCIAL, MUNICIPAL, AND INSTITUTIONAL ESTABLISHMENTS AND PROPERTIES.

Every hauler, as a precondition to being licensed to do business with the Township, shall be required to provide to its residential, multi-family, commercial, municipal and institutional establishments and properties at the curbside or an appropriate location on the premises. Any such recyclables so removed by licensed haulers shall be kept separate from municipal waste, and shall be taken to a recycling facility for the purpose of recycling.

19. DESIGNATION OF RECYCLING FACILITY

The Township reserves the right by resolution to direct recyclables to a designated facility.

**20. LICENSED HAULERS NOT TO ACCEPT UNLAWFULLY
DISPOSED OF RECYCLABLES**

No licensed hauler shall accept, pick up, or remove any bag or other container of municipal waste which the hauler knows or has reason to believe, contains recyclables, combined with municipal waste. Upon discovery of such recyclables combined with municipal waste placed at curbside or otherwise placed for pick up, the hauler shall affix a tag or sticker to the container containing the recyclables.

21. MISSED PICK UP

In the event of any missed pick up, the collector shall collect from the missed location within twenty-four (24) hours of notification from the missed resident, provided the resident has abided by the terms of their contract with the hauler.

22. COMPLAINTS

All complaints regarding collection of recyclables or municipal waste shall initially be reported to the Collector. Any complaint which the collector fails to resolve shall be reported in writing to the Township.

23. COMMUNITY ORIENTED CHARITABLE ACTIVITIES

Nothing contained herein shall impair or prohibit any recognized civic, fraternal, charitable or benevolent organization, association or society from undertaking or sponsoring voluntary programs or projects involving the collection of recyclables from the public. Any such collection activity can only occur prior to the recyclable materials being placed at curbside or similar location for collection by an authorized collector. Prior to initiating such activity the organization shall obtain authorization from the Township.

PART V – MISCELLANEOUS PROVISIONS

24. VIOLATION AND PENALTY

Any person who violates any provision of this Ordinance shall, upon conviction thereof be guilty of a summary offense and shall be sentenced to pay a fine of not less than Three Hundred (\$300.00) Dollars nor more than One Thousand (\$1000.00) Dollars and costs of prosecution, or, in default of payment of such fines and costs, to undergo imprisonment of not less than ten (10) days nor more than thirty (30) days. Provided: each violation of any provision of this Ordinance and each day the same is continued shall be deemed a separate offense.

For purposes of this section, the doing of any act or thing prohibited by any provision of this Ordinance, or the failure to do any act or thing as to which any provision of this Ordinance creates an affirmative duty, shall constitute a violation of this Ordinance, punishable as herein stated.

25. SEVERABILITY

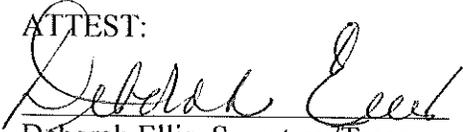

In the event any of the provisions of this Ordinance is declared unconstitutional, unlawful, or unenforceable by a court of competent jurisdiction, such declaration shall not affect the validity of the remainder of this Ordinance or of this Ordinance as a whole, but such shall continue in full force and effects though the unconstitutional, unlawful, or unenforceable provision had never been a part hereof.

26. CONSTRUCTION

The various headings used through this Ordinance are intended only as an aid in its organization, in order to facilitate ease of reading, and are not to be considered a substantive part of this Ordinance. In this Ordinance, unless the context clearly indicates otherwise, the singular shall include the plural; the plural shall include the singular; and the masculine shall include the feminine and neuter.

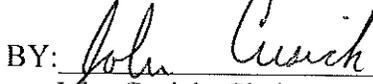

ENACTED AND ORDAINED into law by the Township of Williams, Northampton County, Pennsylvania, this 8 day of APRIL, 2003.
