When It Rains, It Drains

What is Storm Water?

Storm water is water from precipitation that flows across the ground and pavement when it rains or when snow and ice melt. The water seeps into the ground or drains into what we call storm sewers. These are the drains you see at street corners or at low points on the side of streets. Collectively, the draining water is called storm water runoff.

Why is Storm Water “Good Rain Gone Wrong?”

Storm water becomes a problem when it picks up debris, chemicals, dirt, and other pollutants as it flows or when it causes flooding and erosion of stream banks. Storm water travels through a system of pipes and roadside ditches that make up storm sewer systems. It eventually flows directly to a lake, river, stream, wetland, or coastal water. All of the pollutants water carries along the way empty into our water, too, because storm water does not get treated!

Where to Go To Continue the Information Flow?

Your community is preventing storm water pollution through a storm water management program. This program addresses storm water pollution from construction, new development, illegal dumping to the storm sewer system, pollution prevention and good housekeeping practices in municipal operations. It will also continue to educate the community and get everyone involved in making sure the only thing that storm water contributes to our water is...water! Contact the Pennsylvania Department of Environmental Protection for more information about storm water management.

Local Tax Return is Due April 15

It's that time of year again. Your 2014 local earned income tax return is due on April 15.

Did you know the quickest way to get your refund is to file online? If you live and work in Pennsylvania, you can e-file on our tax administrator's secure website, which is available 24/7 at www.KeystoneCollects.com.

Keystone Collections Group's e-file is the easy, fast and secure way to file your 2014 tax return. It lets you file your tax return when it is most convenient for you. You will need your W-2, your Social Security Number and any other income documents that may apply (such as a PA-UE or a Schedule C).

Please note that the forms changed this year. If you will be claiming an out-of-state tax credit or if you work in Philadelphia, you may be eligible for a local earned income tax credit up to the amount you owe to your resident municipality. The worksheet on the back of the form will help you calculate your out-of-state tax credit (attach a copy of your out-of-state filing).

If you have questions regarding local tax filing, call Keystone's **Taxpayer Helpline** at 1-888-328-0565 to speak with a local, knowledgeable Taxpayer Service Agent. You can also email your questions to "Taxpayer Support" at www.KeystoneCollects.com.

Taxpayers with earned income in 2014 are required to file a tax return by Wednesday, April 15.

Easton Emergency Squad Year in Review

This past year definitely tested the resources of Easton Emergency Squad as we moved through the year with 426 calls for emergency medical service within Williams Township. The only way this kind of call influx gets handled is with the dedication and commitment of the men and women of Easton Emergency Squad. It also is a direct reflection on the outstanding working relationship we have with the Williams Township Volunteer Fire Company, who routinely offer assistance to our crews to ensure a safe and timely response to those in need.

Easton Emergency Squad's leadership is constantly monitoring call volume and has taken steps to ensure that the demands are met. Last year we added an additional Advanced Life Support (ALS) unit as we forecasted increased volume and were right on target with this units utilization.

That said additional equipment and staffing comes with increased costs. Now more than ever Easton Emergency Squad needs your support to continue to be on the leading edge of emergency medical service (EMS) provider. Our annual membership campaign is in full swing, which entitles members to the peace of mind that in the event Easton Emergency Squad is utilized any unpaid portion of their ambulance transport will be marked as paid in full. What a great peace of mind to have in this every changing world of healthcare reform!

In closing Easton Emergency Squad hopes you have a great year and we look forward to hearing from you.

Sincerely,

Jonathan Nicholas, NREMT-P, FP-C, CC-P

A Letter from Senator Lisa Boscola Dear Residents of Williams Township,

Thank you for the opportunity to update the residents and businesses of Williams Township on issues impacting the 18th Senatorial District. As you may know, on December 1, 2014, Williams Township once again became officially part of the 18th Senatorial District. Other new areas to the 18th District will be Easton, Palmer, Glendon, Tatamy, West Easton, and Wilson.

To better serve the Borough of Williams Township and all residents of these new areas, I have opened a satellite district office at 1701 Washington Blvd in Wilson. This address may sound familiar as Senator Mensch had maintained an office at the same location and it is my belief for continuity sake that by locating my office at the same location, I can best serve these areas.

The satellite office is open Monday, Wednesday and Friday from 9 a.m. to 5 p.m. I can be reached at 610-250-5627.

Also, my Bethlehem District office remains willing and able to assist you with any state related matter you have. Whether it's asking about a specific piece of legislation or the need to get a birth certificate, driver's license, vehicle registration or completing a property tax or rent rebate to name just a few of the services that are available to you, my Bethlehem office at One East Broad Street, Suite 120 is open Monday-Friday from 9 a.m.-5 p.m. Please feel free to give my office a call at 610-868-8667. **Or if you want to reach out to me after hours, please go to my website at www.SenatorBoscola.com or reach out to me on social media outlets such as Facebook at www.facebook.com/lisa.boscola or on Twitter at @SenLisaBoscola.**

Sincerely,
Lisa M. Boscola
